Increase Student Opportunities

The NH Education Tax Credit program offers a transformational opportunity for **Diocese of Manchester Catholic School** students through tax credit scholarships. New Hampshire children coming from public schools from low-income families have access to new scholarships to attend non-public schools. Tax credit scholarships could cover up to 75 percent of tuition for students starting in the 2019-2020 school year. Scholarship eligibility is based on a family's income. For example, a student could receive a scholarship if his/her family income is less than 300% of the poverty guidelines.

Lower Your Tax Bill

The NH Education Tax Credit program provides tax credits to businesses and individuals that contribute money to Children's Scholarship Fund NH (CSF NH), which is an approved Scholarship Granting Organization. CSF NH awards scholarships to eligible students from low-income families. Businesses and individuals can receive a credit against their NH state taxes, Business Enterprise Tax, Business Profits Tax, or Interest and Dividends Tax equal to 85 percent of their donation.
